Letter.

VERY URGENT.

NO. 2837/48-III-I.B.(I).

Public Works Department,
Bombay Castle (Bombay No.1),
27th October 1950.

To

The Superintending Engineers of Circles.

Subject:- Special programme of Minor Irrigation Works-
Submission of two monthly progress reprots.

Reference: Government Letter, Public Works Department, No. 2837/48-II-I.B.(I), dated the 17th August 1950.

2. It has been noticed that forms used by Superitending Engineers of Circles for giving detailed information of Minor Irrigation Works taken up under the Special programme are not uniform and do not furnish the required information readily. You are therefore requested to submit all the future progress reprrts in the accompanyin forms Nos. I,II,III-A, III-B and IV. Before filling the forms the following instructions should be noted:-

(i) The forms should be studied carefully and the current information should be filled in each Column.

(ii) All other forms including the one accopanying the Government Letter referred to bove, used so far for submission of two monthly progress reports, shoul be discontinued.

(iii) The information should be Districtwise.

(iv) Totals should be given for each District and also at the end of the each type of form.

(v) The figures of areas, amounts, and tonnage of food, should be given in complete figures and mention of annas, gunthas etc. should be avoided.

(vi) As for dates of starting the work and of the receipt of popular contribution, only the month and year should be mentioned and not the actual dated.

3. The progress reports should be submitted in time i.e. on 15th of the month following the end of the period.

4. The next two-monthly progress reports for the months

September.....

September and October 1950 are due on 15th November 1950 and should be submitted on or before that date <u>without fail.</u>

By o rder of the Governor of Bombay,

K.V. Joglekar,
Deputy Secretary to the Government
of Bombay, Public Works Department.

D.A. - 4 forms.

Copy, together with the forms forwarded to—
the Executive Engineers of Divisions (under the
Superintending Engineers of Circles),
the Presidents of District Local Boards,
for information.

wo monthly statement No. I for Minor irrigation works.

Popular contribution received during the period of two months 1950.

Executive Engineer,
BanasKantha Division.

No. DMI/PR/ 12279 of 1950,
Office of the Superintending Engineer
North Gujarat Circle,
Ahmedabad, 15th November, 1950.

To

The Secretary to Government,

Public Works Department, Bombay.

Through:- The Chief Engineer, Public Works Department, Bombay.

Subject:- Special Programme of M.I.Works- Submission of two monthly progress repotts.

I have to submit herewith, the two-monthly progress reports for the months September and October 1950, in the prescribed forms I to IIIB and IV, received with the Govt. letter under reference, district wise for Kaira, Sabar Kantha, Ahmedabad, Mehsana and Amreli Districts, for favour of information and further disposal. As for Banas Kantha District, the reports in the prescribed forms are awaited from the Executive Engineer, Banas Kantha Division. However there is no progress for that District and the report may please be taken as 'Nil'. Proposals for 7 works are under consideration for that District and a list showing the present stages of the proposals furnished by the Executive Engineer is enclosed herewith for information.

Accompts:-
19 Statements in triplicate;
1 List for Banas Kantha Division in triplicate.

Sd/-
Superintending Engineer,
North Gujarat Circle,
Id/- 15/11

KUV. 15/11/50.

Copy F.w.cs. to the Executive Engineer, Ahmedabad Mehsana/ Kaira/Sabar Kantha/Banas Kantha for information.
2/- The Executive Engineer, Banas Kantha Division should note for submission of the reports in theforms presceibed by Govt. and timely, in futhrs.

Two monthly statement No. 1 for Minor Irrigation Works. LOLSUR BANDHARA-GOKAK TALUKA BELGAUM DISTRICT.

Popular contribution received during the period of two months ending October 1950.

Serial NO.	Tank or bandhara and place where it is situated in village and taluka.	Nature of the work.	Estimated cost.	Amount of popular contribution received and date of receipt.	Whether plans & estimates are ready or not.	Whether work is started or not if yes date of starting.	Total area likely to be irrigated.	Probable food production in tons.	Remarks.

I. R. (I) Public Works Deptt.

Submitted with ref. to G. L. No. 2837/48-4ii-I. B. (1) dated the 27-10-50.

2 The two monthly progress report in respect of the Special Programme of Minor Irrigation Works for the period ending Oct. 1950 was due from the S. Es. fo Circles on 15-11-50. So far reports from the S. Es. N. C. C., G. I. C. D. I. C. K. I. C. and S. C. have been received. Reports from the S. Es. S. C.C., B. C. and C. C. are still awaited. They were last expedited on 20-11-50.

3 The S. E., N. C. C. in his letter has stated that report in respect of Distts Kaira, Salar Kantha Abast, Mahsana and Amreli ~~Ameli~~ in the prescribed forms have been submitted. From the reports it is observed that there is no report for Amreli Distt. The S. E., N. C. C. may therefore be addressed as Per Draft put up.

4 The S. E., K. I. C. presumes that the works taken up under maintenance and repair grants prior to the orders in respect of the present loan scheme are not to be included in these reports. In this connection perusals is requested to part X K (i) of the Scheme of Sp. programme of M. I. Works under the loan scheme laid down in G. C. M. No. 2356/48-4i dated the 26-5-50. It states that works which were in progress last year (1949-50) should be completed without asking for contribution if there is a budget provision for the same . This year (1950-51). It will be clear from this that the contention of the S. E., K. I. C. is correct. If approved he will be informed accordingly.

Yes.

E.E.(I). P.W.D.

The two monthly progress reports for the period September and October 1950 have ~~n~~ not been received from all the S.Es. of Circles, in the prescribed forms I,II,III ~~&~~/~~&~~ IIIB and IV. Consolidated states, have been prepared and are at pp. 415-429 ante.

2. In submission of progress reports all the S.Es are late. It has been noticed that S.Es. K.I.C., C.C. S.C., & B.C. have forwarded consolidated reports for their circles all other S.Es have simply forwarded the Ex. Engr's reports. Because if this it goes difficult to consolidate these reports. If approved they may be asked to submit consolidated reports for their circles and not to forward Ex. Engineer's reports. Also they may be asked not to submit spare copies of reports.

D.S.

Letter.

VERY URGENT.

No. 2637/48 B(I). P. W. D.

B.C. (Bombay No. I.)

18th January 1951.

To

The S.Es of Circles,

Subject:- Special programme of minor Irrigation works submission of two monthly progress reports.

Reference G.L. 2637/48 -III B (1) dated the 27-20- 50.

2. The two monthly progress reports ~~of~~ for the months of November and December 1950 were due on 15/1/51, but they have not yet been received. These reports should have ~~been~~ submitted without any delay.

3. The States are however requested that consolidated progress reports for their respective circles should be submitted and not to forward the Executive Engineers reports.

4. Spare copies of the progress reports should not be submitted.

D.O. Nil.

By order etc.

Deputy Secretary to Government.
